Nod Brook WMA

Directions

Nod Brook Wildlife Management Area is on Routes 10 & 202, 1.5 miles North of Avon center (intersection of RT 44, 10 & 202). The entrance is just north of the Simsbury/Avon line and the Eversource building. The entrance shares the driveway for the Tower Business Park. Look for the red stone walls. If you are coming South on RT 10 & 202 look for the Tower Business Park entrance on the left after you pass an Agway store.

From South and West:

Take the RT 4/Farmington exit off I-84. Go West on RT 4 to Farmington center. Turn right on RT 10 North. Follow RT 10 as it meets and takes a left turn with RT 44 and then meets and takes a right turn off RT 44 with RT 202 at Avon center. Tower Business Park and Nod Brook are 1.5 miles on the right.

We do not recommend taking RT 44 through Hartford under any circumstances.

From East (Manchester to the Sturbridge area):

Take I-84 West to Exit 61 (I-291) West past I-91 to Exit 1. Turn left at the stop light onto RT 218. Continue on RT 218 to RT 185, turn right. Follow RT 185 West about 3 miles and across the Farmington River. Turn left on RT 10 & 202 South. Tower Business Park and Nod Brook are 1.5 miles on the left.

From North:

There are two ways.

Pick up RT 10 in Westfield MA (Exit 3 - Mass Pike). RT 10 & 202 is hard to follow through Westfield - watch signs carefully and follow it South into Connecticut and through Granby and Simsbury. Tower Business Park and Nod Brook are on the left.

Or:

Take the I-91. Exit 42 (Bradley Airport exit) and follow RT 20 to Granby center where it intersects with RT 10 & 202. A left turn at Granby center will take you South on RT 10 & 202 toward Simsbury. Tower Business Park and Nod Brook are on the left.
